Code(s) of Conduct: (Available on request and on the website)

Boston Rowing Club has codes of conduct for all levels of membership. Should you complete the Learn2Row course and be offered a membership place you will be required to abide by them. During your Learn2Row course you will be given guidance by the course coach (and any additional Club officials taking part) with regard to behaving in a manner that is within the codes and acceptable. By signing below you agree to this, running from Learn2Row through to a Full Membership if applicable. Failure to abide by the codes and behave in a manner deemed acceptable by the committee and Directorship of Boston Rowing Club may result in termination of this contract and / or membership.

Parents and Guardians are also required to abide by these levels of behaviour. The Learn2Row course coach will provide guidance as regards this until such a time as the participant becomes a full member and said Codes of Conduct are issued,

Video and Photography: (Available on request and on the website)

With rowing, one of the best pieces of equipment available to a coach is a still or video camera. If footage is taken it can be shown to the crew or individual for training purposes, to analyse technique and levels of performance. In summary, it is easier to use a visual aid such as video or photo to highlight a point rather than spoken words alone. Video and Photographs may be taken at events also, and used on the Club's website or for advertising, publicity and media purposes.

With Juniors, child protection is more important than any of the above, and keeping in line with child protection policies under which the Club operates, before any videos or photos can be taken we require the participant or a parent / guardian's permission. Please make selections below to indicate your preferences and permissions:

Do you give permission for any video footage to be taken?

Yes No

Do you give permission for any photographs to be taken?

Yes No

I understand that in the event of injury or illness, all reasonable steps will be taken to contact a parent / guardian or ICE contact, and deal with the injury / illness appropriately.
